16 be imposed on the total of the person's gross proceeds of sales of tangible  
17 personal property and gross income from services.

18 H. If a person is engaged in the business of selling tangible personal  
19 property at both wholesale and retail, the tax under this section applies  
20 only to the gross proceeds of the sales made other than at wholesale if the  
21 person's books are kept so as to show separately the gross proceeds of sales  
22 of each class, and if the books are not so kept, the tax under this section  
23 applies to the gross proceeds of every sale so made.

19 wireless telecommunications equipment as an inducement to a customer to enter

22 include any sales commissions or other compensation received by the retailer  
23 as a result of the customer entering into or continuing a contract for the  
24 telecommunications services.

25 P. For the purposes of this section, a sale of wireless  
26 telecommunications equipment to a person who holds the equipment for sale or  
27 transfer to a customer as an inducement to enter into or continue a contract  
28 for telecommunications services that are taxable under section 42-5064 is  
29 considered to be a sale for resale in the regular course of business.

12 paragraph 16, subdivision (b) of this section, the department may require the

14 subdivision (b) of this section have been satisfied. If the purchaser cannot  
15 establish that the requirements of subsection B, paragraph 16, subdivision  
16 (b) of this section have been satisfied, the purchaser is liable in an amount  
17 equal to any tax, penalty and interest which the seller would have been  
18 required to pay under article 1 of this chapter if the seller had not made a  
19 deduction pursuant to subsection B, paragraph 16, subdivision (b) of this  
20 section. Payment of the amount under this subsection exempts the purchaser  
21 from liability for any tax imposed under article 4 of this chapter and  
22 related to the tangible personal property purchased. The amount shall be  
23 treated as transaction privilege tax to the purchaser and as tax revenues  
24 collected from the seller to designate the distribution base pursuant to  
25 section 42-5029.

26 T. For the purposes of section 42-5032.01, the department shall

6 corresponding use tax exemption to the tax imposed by article 1 of this  
7 chapter and the rate of the tax in the purchaser's state of residence is  
8 lower than the rate prescribed in article 1 of this chapter or if the  
9 purchaser's state of residence does not impose an excise tax, and the  
10 nonresident has secured a special ninety day nonresident registration permit  
11 for the vehicle as prescribed by sections 28-2154 and 28-2154.01, there shall  
12 be deducted from the tax base a portion of the gross proceeds or gross income  
13 from the sale so that the amount of transaction privilege tax that is paid in  
14 this state is equal to the excise tax that is imposed by the purchaser's  
15 state of residence on the nonexempt sale or use of the motor vehicle.
